Hello, I'm Lauren.

A passionate graphic designer with a keen eye for detail, an ability to work to a brief and a strong desire to gain new skills.

I graduated from Queensland College of Art in 2009 with a Bachelor of Visual Communication Design, specialising in Digital Media.

With experience working as a junior graphic designer in a design studio as well as a pre-press operator at a printing company I have gained the skills to tackle any project with confidence.

Having gained experience in both web design and graphic design I am looking for a workplace where I can incorporate my web design skills combined with my graphic design skills into my future career.

I have advanced knowledge in the full Adobe Suite CS4 both on a Mac platform, CSS, HTML, basic Javascript implementation, Actionscript 3.0 and Web Building techniques.

Employment.

Khemistry

February 2010 - June 2010

Position Contract junior graphic designer

This position was as junior graphic designer, working under the senior designer at Newstead based design studio, Khemistry. My role was to assist in the design of corporate brochures, signage, stationary, websites, online advertisements, press advertisements as well as assisting in the creation of new identities.

My key responsibilities were to insure every project was ready for print output, updating projects with client changes and adhering to identity guidelines to create graphic design solutions intune with the existing brand look and feel. Clients included Alderley Square, Rain Harvesting, JDL Strategies and Emporio.

Buzz Print

Decemeber 2008 - December 2009

Position Pre press designer / web designer

This position was as pre press designer and web designer as part of a team for reputable Brisbane print company Buzz Print. Working with a variety of clients from local, interstate and international companies including Boeing Defence Australia, Royal Wolf Containers and APA Group, my responsibilities include preparing files for print,

designing printed material, company identities and designing & building websites as well as meeting with clients to discuss their needs. Working at Buzz Print has given me an extensive knowledge of the print process following the final design approval with clients.

Liveworm

June 2008 - December 2008

Position Internship as graphic designer / web designer

This position was for the duration of a semester during my second year of University. Tasks included the design of packaging, identity and website design and build using Wordpress.

Working within a team environment was a core component of Liveworm as well as sitting in on client briefings and bringing a project from briefing stage to final concept.

Skills

Advanced skills in the full Adobe CS4 Suite including:

Indesign, Illustrator, Photoshop, Acrobat Professional, Dreamweaver and Flash.

Also proficient in HTML, CSS, Actionscript 3.0 with a basic knowledge of Javascript implementation.

I am currently gaining skills PHP, CMS and JQuery.

I also have experience with wide format rip programs such as Onyx and Cyclone.

Interests

My passion lies in graphic design and web design and I am enjoying learning new mediums such as Motion Graphics. I also enjoy photography as a hobby. Cultural events and AGDA design events are ways to expand my mind and get me away from the computer and everybody needs a way to get away from the hustle and bustle of everyday life, mine is camping and cycling along the river.

Groups & Associations

I am currently an active member of the Australian Graphic Design Association (AGDA).
